#### 14 4 EXPLANATION

14 5 This bill relates to the regulation under Code chapter 482  
14 6 of the harvesting of commercial fish, turtles, and freshwater  
14 7 mussels by residents and nonresidents and provides for license  
14 8 fees and penalties.

14 9 The bill requires a person involved in taking, attempting  
14 10 to take, possessing, selling, or buying commercial fish,  
14 11 turtles, or freshwater mussels to obtain an appropriate, valid  
14 12 commercial license. A commercial fisher licensee, operating  
14 13 commercial fishing gear, is allowed to take and sell  
14 14 commercial turtles. Commercial fisher licensees and  
14 15 commercial turtle licensees are allowed to take any commercial  
14 16 fish, bait fish, turtles, frogs, salamanders, leeches,  
14 17 crayfish, or any other aquatic invertebrates for bait unless  
14 18 otherwise prohibited by law.

14 19 A commercial fisher, commercial turtle fisher, or  
14 20 commercial mussel fisher licensee is not permitted to buy  
14 21 commercial fish, turtles, or mussels. Nonresident turtle  
14 22 fishers are permitted to harvest turtles only from the  
14 23 boundary waters, that is, the waters of the Mississippi,  
14 24 Missouri, and Big Sioux rivers.

14 25 In addition, commercial turtle fisher license fees are  
14 26 increased from \$50 to \$200 for residents and from \$100 to \$400  
14 27 for nonresidents.

14 28 Licenses are required for commercial fish helpers, turtle  
14 29 helpers, or mussel helpers to assist a commercial fisher,  
14 30 turtle fisher, or mussel fisher in operation of the  
14 31 appropriate commercial gear and in taking, attempting to take,  
14 32 possessing, processing, or transporting commercial fish,  
14 33 turtles, or mussels. A commercial fish helper, turtle helper,  
14 34 or mussel helper is not permitted to buy or sell commercial  
14 35 fish, turtles, or mussels, respectively.

15 1 The commercial fish helper licenses are in lieu of the  
15 2 designated operator licenses that were previously available at  
15 3 \$50 for residents and \$100 for nonresidents. The new  
15 4 commercial turtle helper licenses are also \$50 for residents  
15 5 and \$100 for nonresidents. Commercial mussel helper licenses  
15 6 remain the same at \$50 for residents and \$200 for  
15 7 nonresidents.

15 8 Licenses are required for commercial fish buyers, turtle  
15 9 buyers, or mussel buyers to buy and sell commercial fish,  
15 10 turtles, or mussels. A restaurant, licensed premises where  
15 11 alcoholic beverages, wine, or beer are sold or consumed, or a  
15 12 nonprofit corporation may buy commercial fish or turtles for  
15 13 retail sale and human consumption on their premises without  
15 14 purchasing a fish or turtle buyer license.

15 15 The new commercial fish buyer and turtle buyer licenses  
15 16 cost \$250 for residents and \$500 for nonresidents. Commercial  
15 17 mussel buyer licenses remain available at \$1,000 for residents  
15 18 and \$5,000 for nonresidents.

15 19 The bill provides that a commercial fisher, turtle fisher,  
15 20 or mussel fisher must be present when commercial gear is being  
15 21 operated. A commercial fish helper, turtle helper, or mussel  
15 22 helper is not permitted to operate commercial gear except  
15 23 under the direct supervision of the appropriate commercial  
15 24 fisher, turtle fisher, or mussel fisher. A commercial fisher  
15 25 must be present when certain specified commercial gear is in  
15 26 use. The natural resource commission may grant a reasonable  
15 27 extension of gear attendance intervals only upon the request  
15 28 of a commercial fisher, turtle fisher, or mussel fisher who  
15 29 specifies why an extension is necessary.

15 30 The bill requires all commercial fishers, turtle fishers,  
15 31 and mussel fishers to submit a monthly report supplying all  
15 32 information requested by the natural resource commission.

15 33 The bill requires all commercial fish buyers, turtle  
15 34 buyers, and mussel buyers to maintain accurate records of all  
15 35 their transactions, including specified information, updated  
16 1 within 72 hours of each transaction, and submitted monthly to  
16 2 the natural resource commission.

16 3 The bill also requires commercial fish, turtle, and mussel  
16 4 buyers to use a two-part receipt with the buyer and seller  
16 5 each retaining a copy of the receipt for five years following  
16 6 the transaction. Facilities and records of such buyers must  
16 7 be open at all reasonable times for inspection by conservation  
16 8 officers.

16 9 The penalty for a violation of the commercial fishing  
16 10 provisions contained in Code chapter 482 is a scheduled fine  
16 11 of \$100 unless another fine is otherwise specified.

16 12 The bill moves language concerning boundary waters sport

16 13 trotline licenses from Code chapter 482 to Code chapter 483A  
16 14 and increases the annual fee for such a license from \$10 to  
16 15 \$20 for residents and from \$20 to \$40 for nonresidents.  
16 16 The bill moves language concerning the use of boundary  
16 17 waters sports trotline licenses from Code section 482.4 to new  
16 18 Code section 483A.28 and allows such a licensee to use a  
16 19 maximum of four trotlines with 200 hooks in the aggregate,  
16 20 only on boundary waters, which are properly tagged with the  
16 21 licensee's name and address. A boundary waters sport trotline  
16 22 licensee is not permitted to sell fish or turtles taken  
16 23 pursuant to the license.  
16 24 The bill moves language concerning the taking and  
16 25 possessing of turtles with a sport fishing license from Code  
16 26 section 482.11 to new Code section 483A.28 and allows such a  
16 27 licensee to take and possess a maximum of 100 pounds of live  
16 28 turtles or 50 pounds of dressed turtles, using fishing gear  
16 29 that is properly tagged with the licensee's name and address.  
16 30 A sport fishing licensee is not permitted to sell live or  
16 31 dressed turtles taken pursuant to the license.  
16 32 The bill also moves language concerning the taking and  
16 33 possessing of mussels or shells with a sport fishing license  
16 34 from Code section 482.12 to new Code section 483A.28 and  
16 35 allows such a licensee to take and possess a maximum amount of  
17 1 mussels or shells daily as is authorized by the natural  
17 2 resource commission by rule. A sport fishing licensee is not  
17 3 permitted to sell mussels or shells taken pursuant to the  
17 4 license.  
17 5 The penalty for unlawfully taking turtles or mussels with a  
17 6 sport fishing license under new Code section 483A.28 is a  
17 7 scheduled fine of \$50 for residents and \$70 for nonresidents  
17 8 pursuant to Code section 805.8B, subsection 3, paragraph "p".  
17 9 Previously, the scheduled fine for sport turtle or sport  
17 10 mussel violations was \$50 for residents and nonresidents. The  
17 11 bill adds a new paragraph to Code section 805.8B, subsection  
17 12 3, providing that for violations of new Code section 483A.28,  
17 13 other than license violations, the scheduled fine is \$25.  
17 14 This language is similar to the penalty for gear tag  
17 15 violations involving commercial licenses that is contained in  
17 16 Code section 805.8B, subsection 3, paragraph "m", and is also  
17 17 a scheduled fine of \$25.
